

# Project Sheet

## Air Starting System for Genset

<b>Domain</b>	Oil & Gas
<b>Application</b>	FPSO
<b>Location</b>	Indonesia
<b>Equipment</b>	Emergency Diesel Generator 2300 kVA
<b>Engine</b>	CAT 3516
<b>Starting System</b>	Back up
<b>Quantity</b>	1

### Features

- 6 x 10 sec cranking cycles capable
- SS316 piping and fittings
- Receivers: 2 x 500 L ASME U STAMPED certified DNV
- Diesel driven compressor DNV
- Offshore and ATEX suitable instrumentation
- Offshore painting 310 µm
- Fully integrated skid
