

Project Sheet

Hydraulic Starting System for Genset

Domain	Oil & Gas
Application	Offshore Platform
Location	India
Equipment	Emergency Diesel Generator
Engine	Cummins QSK78
Starting System	Secondary source
Quantity	1

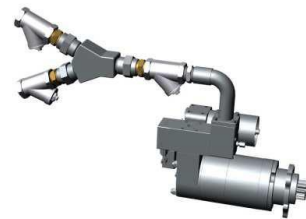

Features

- 2x6s cranking cycles capable
- GALI hydraulic starter H25
- SS316 piping and fittings
- 4 CE certified accumulators
- Offshore suitable instrumentation
- Control panel for automatic start & stop, alarm & display
- Offshore painting
- Fully integrated skid

Project Sheet

Nitrogen Starting System for Genset

Domain	Oil & Gas
Application	Offshore Platform
Location	India
Equipment	Emergency Diesel Generator
Engine	Cummins QSK78
Starting System	Third source (black start)
Quantity	1

Features

- 2x(2x6s) cranking cycles capable (redundant)
- SS316 piping and fittings
- Offshore suitable instrumentation
- Interconnexion with air system
- Offshore painting
- Fully integrated skid
